

GES Auto Biography Questions

1. What made you decide to be a teacher/work in education?

I knew that there was nothing else I would rather do than work and teach children. They light up my life.

2. Where did you graduate from/what has brought you to this point?

I grew up in the state of Michigan, and graduated from the University of Michigan. I had a dream to “teach in Colorado”, with the gorgeous mountains and blue skies. Lucky for me, I ended up in the heart of the mountains in Vail Valley!

3. How many years have you been teaching/working in education?

This is my fourth year teaching. It is also my fourth year teaching first grade at GES.

4. What do you like most about teaching/working in education?

I love the challenge of the classroom and my students, and the amazing rewards I receive from it. Watching my students grow from their learning is a great feeling.

5. What makes GES such a great place to be?

The staff and the students make GES a loving and enthusiastic place to learn.

6. Anything else you would like the GES school community to know about you.

I live all the way in Vail and drive 45 minutes to teach at Gypsum Elementary. The drive is worth every minute to teach at this school and be a part of this community!
